¹ Outside the administrative boundaries of Budapest, all scheduled interurban (suburban, regional and long-distance) bus services by VOLÁN may be used. Bicycle tickets can be used only on designated intercity routes between Budapest and the route sections outside the city or only on routes outside the city.

² Including 24-hour group travelcards.

³ Dogs and bicycles can be transported according to the transport conditions announced in the Business Rules of the respective service provider. For the transport of bicycles, the BKK single ticket (including one from the Block of 10) are valid for the entire length of the HÉV suburban railway lines.
