Free transport of dogs and bicycles in Budapest: from 1 January 2025, valid pass holders and those entitled to free travel may transport one dog or one bicycle free of charge on interurban lines, while from 7 January 2025, one dog or one bicycle may be transported free of charge on BKK lines within the administrative boundaries of Budapest, subject to the transport conditions of the service provider; bicycles may be transported only on designated lines.

¹ On Airport Express 100E and heritage services (and other touristic lines, e.g. Funicular, Chairlift) none of the listed fare products, while on the D14 ferry, single and time-based tickets are not valid.

² The indicated Budapest fare products, the Pest County²⁴ and the Pest County Pass can be used in the 2nd class on trains requiring no seat reservation. For travel within Budapest only, trains requiring seat reservation may be used without extra payment. For journeys outside Budapest with a Budapest fare product, a rail ticket must be purchased from the administrative border.

³ The marked Budapest tickets and passes can be used on lines 300-899; for travel outside Budapest, bus tickets must be purchased from the administrative border.

⁴ Including 24-hour group travelcards.

⁵ Dogs and bicycles can be transported according to the transport conditions announced in the Business Rules of the respective service provider. For the transport of bicycles, the BKK single ticket (including one from the Block of 10) are valid for the entire length of the HÉV suburban railway lines.
